

# Process to Validated the Students for Registration and Examination Process for PG 2022-24

Step 1 : Open Website <https://www.magadhonline.in>

Step 2 : Go to PG 2022-24 Tab and Click on College Login Button

Step 3 : Enter College or Department User ID and Password

The screenshot shows the login interface for Magadh University. At the top, it displays the university's name in Hindi and English, along with the admission year. The main area is divided into two sections: 'College Login' and 'Important Information'. The 'College Login' section contains input fields for 'Username', 'Password', and 'Enter Captcha', followed by a green 'Login' button. The 'Important Information' section lists several instructions for users, such as what to do if they lose their login details and browser requirements. A footer contains copyright information and a disclaimer.

Step 4 : After Login this screen will appear.

Step 5 : Click on Admission -> Validate for Examinations.

The screenshot shows the dashboard of a user logged into the system. The top navigation bar includes 'Dashboard', 'Admission', and 'Registration SEM - I'. A dropdown menu is open under 'Admission', listing options: 'Applied Students', 'Offer Letter List', 'Admission Verification', 'Admitted List', and 'Validate For Examination'. A red box highlights the 'Validate For Examination' option, with a red arrow pointing to it. The dashboard also displays a notification for 'Students for Registration process'. The footer contains the same copyright and disclaimer text as the previous screenshot.

Step 6 : After you click on the Validate for Examination button this screen will appear. Click on Validate now button.

The screenshot shows the Magadh University registration portal. At the top, there is a header with the university logo and name. Below the header, there are navigation tabs: Dashboard, Admission, and Registration SEM - I. The main content area contains a search form with fields for Application No., Aadhar No., Mobile No., Degree, and Subject. A search button is located next to the Subject field. Below the search form is a table with the following columns: Sr. No., App. No./Reg. No., Candidate / Father's Name, Mobile No. / Date Of Birth, Category / Sub Category, Degree/Subject, Status, and a column with buttons. The table has 4 rows. The first row is highlighted. In the Status column of the first row, there is a red 'Invalidate' button and a blue 'Validate Now' button. A red box and arrow point to the 'Validate Now' button.

Sr. No.	App. No./Reg. No.	Candidate / Father's Name	Mobile No. / Date Of Birth	Category / Sub Category	Degree/Subject	Status	
1						Invalidate	Validate Now
2						Invalidate	Validate Now
3						Invalidate	Validate Now
4						Invalidate	Validate Now

7 : After you click on Validate now a pop up will appear like this. **Verify every details and you can edit the Registration Number if it is incorrect. And then click on Submit Now button.**

The screenshot shows the same registration portal as in Step 6, but with a 'Validate For Exam Form' pop-up window open. The pop-up window has a title bar with a close button. It contains the following fields: App. No., Registration No. \* (highlighted with a red box and arrow), Student's Name, and Father's Name. At the bottom of the pop-up window is a green 'Submit' button (highlighted with a red box and arrow). The background of the portal is dimmed.

Sr. No.	App. No./Reg. No.	Candidate / Father's Name	Mobile No. / Date Of Birth	Category / Sub Category	Degree/Subject	Status	
1						Invalidate	Validate Now
2						Invalidate	Validate Now
3						Invalidate	Validate Now
4	Ann No. : 24PG002000	SWATI KUMARI				Invalidate	Validate Now

Step 8 : Once the candidate is **Validated** by the Department or College, the Student will get a link of payment in their LOGIN ID & Password. Tell them to pay the amount and complete their Registration cum Examination process.

**After this Candidate which will be validated by Colleges or Departments will be eligible to appear in the Examination of Semester – I, Session 2022-24.**
